

Pre-Opening Notice

Written by NHA

Thursday, 25 February 2010 23:40 - Last Updated Saturday, 04 September 2010 01:07

Well, just in case you would stumble on this page in these early days, know that we're in the final preparation phase before official opening. You're welcome to wander about, but features aren't fully activated right now.

So if you cannot find any registration page, that's normal and you should come back later for that.

We're almost done, dudes, we're almost done...
