I am aware that when people don't communicate, their friends may

-

worry about them

-

think they have offended them in some way

turn up with a team in helicopters to try to rescue them

To be fair, communication goes both ways, but I guess maybe you don't write much because

-

perhaps you feel communication is unwelcome?

-

you're baffled about why I never talk much about my life?

-

I ran off with your wife/husband/business/car/ (insert item)

-

you don't want to poke your nose in where its not wanted?

I shot at you that time

-

you know that genuineness and respect are important and you don't want to coerce me into writing if I'm not really into it?

-

You found out I work for the CIA/WalMart/(insert organization)

So this is just to clarify that I

-

would like things to stay exactly as they are

-

would like to communicate less

-

would like to communicate more

-

would like to continue with mad letters like this one
